KIDS' KORNER PHILOSOPHY

Kids' Korner provides affordable before and after school programs that foster individual growth and development of mind, body, and spirit through developmentally appropriate activities and child initiated programming.

Goals for the Program

1. To work in partnership with parents, school personnel, and the community to support a child's emotional, social, physical, and intellectual growth.
2. To provide parents with the assurance of safe, affordable, and nurturing childcare.
3. To create an environment that fosters self expression, social growth and development, and skills for a healthy life style.
4. To guide children through positive discipline, reflective listening, logical consequences, and peaceful alternatives to make responsible decisions.
5. To provide a variety of developmentally appropriate creative, physical, and intellectual activities, maintaining a balance of quiet, active, and self directed time.
6. To meet the needs of each child through careful observation, reflection, and respect of individuality.

Goals for Children

1. To feel safe, comfortable, and respected as an individual.
2. To learn, grow, and have fun.
3. To develop a positive sense of self and a foundation for a healthy life style.
4. To acquire the skills of conflict resolution, positive communication, and a respect for individual differences.
5. To feel comfortable with one's self, one's accomplishments, and one's abilities.
6. To develop self help skills, independence, and a sense of responsibility for ones actions and behavior.
7. To feel like a valued and important member of the Kids' Korner family.

LOCATION OF PROGRAMS

Cromwell

Edna C. Stevens School 632-1355
Woodside Intermediate School 632-3192

Middletown

Bielefield School 347-1717 Farm Hill School 347-9010 Lawrence School 635-9044
Macdonough School 704-0604 Moody School 347-8200 Snow School 346-6903
Spencer School 346-4536 Wesley School 343-9171

Portland

Valley View School (*also serving Gildersleeve and Intermediate School*) 342-1573

HOURS OF OPERATION

Monday – Friday 7:00 am-Dismissal to school personnel and 3:00 (staff arrival) to 6:00pm

CALENDAR

The YMCA Kids' Korner Programs follow the school calendar. The YMCA however offers year round programming to meet the needs of working families. Programming is not available on the following days and if necessary families must find alternative care: Memorial Day, Labor Day, Friday following Thanksgiving, and the week between school and the start of Camp Ingersoll.

Vacation Programs

During school vacations the YMCA offers special recreation programs. Registration and information regarding activities planned, cost, and location is given to Kids' Korner families in advance of the general public. Financial Assistance is available but limited so please register early.

Columbus Day
Veteran's Day
Christmas Vacation*
Martin L. King Day
February Vacation*
April Vacation*

***The programs listed above with a star are licensed vacation programs. All children who attend must have a health form on file that has been completed within the past three years. Children will not be accepted into the program if they do not have a current health form on or before the date they arrive for the vacation program.**

- The YMCA offers a program during Middletown teacher in-service days.
- An in-service program will be held for Portland and Cromwell families when at least ten families indicate that they need care. A sign up sheet will be made available at the site in advance to determine need.

The YMCA reserves the right to deny the registration of children whose behavior places them or others at risk while on a trip away from the YMCA. Children who attend vacation programs and who exhibit unsafe behavior and / or show repeated misconduct will not be allowed to register for another vacation program. The YMCA will also not accept registration for vacation programs without full payment in advance. Families with delinquent Kids' Korner balances must pay their bill in full before registering for vacation programs.

Half Days

On half-days the Kids' Korner programs open when school is dismissed and remain open until the 6:00pm. Programs will schedule special events and fieldtrips on half-day session. Fieldtrips will be scheduled in advance and all program participants must go on the fieldtrip. There will not be staff available to remain at the site. Children not registered to attend on the day of a half-day will be given an opportunity to enroll:

- If they are current Kids' Korner participants
- If there is space available
- If their account is in good standing
- On a first come and first serve basis (speak with the site director/sign up sheets will be available in advance)

Please note that the Woodside and Valley View Programs follow the elementary half-day schedule and do not open early when either the Kindergarten or Middle School Schedule differs.

Summer Programs

The YMCA Camp Ingersoll provides a full summer option for Kids' Korner families. The camp is located in Portland and provides transportation from surrounding communities including Cromwell, Middletown, and Portland. The Camp opens at the end of June and runs until the week prior to the start of school. Registration material is available in February of each year.

A YMCA summer enrichment program is a second option for children in grades 1st-6th. The summer enrichment program offers children eight one-week programs that focus on a specific enrichment theme. Program activities include hands on learning, active play, reading, crafts, and swimming.

INCLEMENT WEATHER POLICY

Delays and Early Closings

Middletown and Cromwell

Delays: When the school experiences a delayed opening the Kids' Korner Program will open at **7:30am** and remain open until school begins.

Early Closing: When school is closed early as a result of inclement weather the Kids' Korner Programs will open at the time of school dismissal and remain open until **5:00pm**.

Portland

Delays: When the school experiences a delayed opening the Kids' Korner Program will open at **8:00am** and remain open until school begins.

Early Closing: When school is closed early as a result of inclement weather the Kids' Korner Programs will open at the time of school dismissal and remain open until **3:00pm**.

Emergency School Closings: The Kids' Korner Program will not be open if the School is closed as a result of unsafe conditions such as electrical failure, environmental emergency, or any other reason that results in the Superintendent of Schools officially closing the building. The YMCA will make every effort to contact parents as soon as possible. Parents should have a contingency plan prepared for these rare events. It is very important that parents keep their home and work numbers up to date with the site and the YMCA.

SCHOOL CANCELLATIONS

Snow Day Program

The YMCA offers a snow day program for families registered for Kids' Korner. The program is housed at the Y facility in Middletown and is open from 7:30am to 5:00 pm. The program is available to families who register on a first come and first serve basis. We can only accept 60 children into the program. Registration material is mailed to families at the end of October.

Cancellation Policy

If the YMCA is closed or the opening is delayed past 9:00am, as a result of hazardous weather conditions, the snow day program will be canceled. When the weather conditions are considered hazardous please call the YMCA at 347-6907 to hear a voice recording or tune into WMDR AM 1150 to receive notice of the closing of the Y facility.

PROGRAMMING

High quality before and after school programs offer children a wide variety of activities that foster learning in a fun and relaxed environment. The curriculum at Kids' Korner serves the following purposes:

1. To provide children with hands on learning experiences that support growth and development in all areas of multiple intelligences.
2. To foster individual decision-making and life long interest in enriching activities by engaging children in opportunities to develop the monthly curriculum.
3. To support children as they develop social competency by offering a wide variety of experiences that help children learn the skills of developing friendships, communication, problem solving and appreciating differences.

Children are provided with a variety of choices that include free play, active play, enrichment, and homework support. The program offers structure while also supporting individual choice.

Typical Schedule

Mornings

7:00am-8:00am

- ❖ The cafeteria is set up with a variety of interest centers and children can move freely from one area to another. These areas include arts and crafts, drama, building area, reading and quiet area, games area, and an enrichment area such as math, science, writing etc.
- ❖ Children will also have an opportunity to play in the gym or outside.
- ❖ Some children work on homework.

8:00am Breakfast (available until 8:30am)

8:30 Clean up and prepare for dismissal to School Playground Attendants

Afternoons

3:00pm Staff Arrive

3:25pm Children begin to arrive; Attendance is taken and some programs have a short circle time.

3:25-4:00pm Free Choice Time

Choices Include:

- ❖ Outdoor Play or Gym Activity
- ❖ Arts and Crafts, Games, Drama, Music, Reading, Enrichment Centers
- ❖ Some children choice to begin homework.

4:00pm Snack (preparations and hand washing)

*Some programs have circle time before snack

4:15pm - 5:00pm Activity Time

Choices Include:

- ❖ Active Game
- ❖ Enrichment Club or Activity
- ❖ Staff Supervised Homework
- ❖ Centers open for free choice (Art, Drama, Blocks, Reading)

CURRICULUM COMPONENTS

The Kids' Korner programs have the following curriculum components:

A Monthly Theme

The Kids' Korner Programs follow a monthly theme and develop activities that support and relate to the theme. The monthly themes are provided to bring change and build excitement for the various activities. It is generally a way to keep things fresh while also focusing activities on topics that inspire creative thought and learning. Themes have included arts and entertainment, outer space, me, myself, and my community, and physical fitness.

Social Skills

The Kids' Korner Programs support the development of social competency skills through a variety of activities and teachable moments. Each month the programs focus on a specific skill integrating the skill into a wide variety of activities such as circle time, literacy, gym activities, art etc. The skills include: communication, community building, coping, control, curiosity, confidence, conflict resolution, and appreciation of differences.

Multicultural Curriculum

The Kids' Korner Programs promote an understanding and appreciation for different cultures thorough a monthly multicultural theme. Each month the children will explore and celebrate a different culture through activities such as art, music, cooking, games, and literature. While a wide variety of cultures will be introduced through out the school year, the focus will be on celebrating and learning about the various cultures represented by the families who are in our programs.

Free Choice Centers

The free choice centers are arranged throughout the program space to provide children with a wide variety of hands on experiences. These centers are arranged to provide space for small group activities as well as quiet space for children who want time alone or with a friend. Equipment in these centers is rotated and new materials are added to keep the area interesting and to engage children in exploration and creativity. The standard centers include arts and crafts, music, games, reading and literacy, science and/or math, blocks, and drama. Programs will also add centers that are of interest to the children and that relate to the monthly theme.

Enrichment and Club Activities

In September the staff will use an interest inventory to determine the personal interest of each child in the program. Children will have an opportunity to give feedback and ideas to staff about what they like to do and want to do at Kids' Korner. This information will then be used to develop adult facilitated clubs that children can sign up for and attend weekly.

Homework

Parents who want their children to begin their homework at Kids' Korner can sign them up for the homework club. A staff person will supervise homework each day and assist children who need additional help such as understanding the directions, and asking probing questions to help facilitate and understanding of the assigned work. While homework support is often an enhancement to a child's academic success, this should not be confused with tutoring. ***We cannot provide one to one homework support and will not provide support for more than the time allotted for supervised homework. Please refer to our Homework Policy for more detail (Appendix A).***

Literacy

The Kids' Korner Programs support literacy through reading and writing centers, and activities such as journal writing and book making. The programs also have during the school year reading contests, book clubs, and story time. Literacy is a critical component of academic success and our goal is to support literacy by integrating reading and writing into a wide variety of activities.

CATCH Kidsclub

The CATCH program is designed to promote physical activity and healthy food choices in school age children. By teaching children that eating healthy and being physically active every day can be FUN, the CATCH Program has proved that establishing healthy habits in childhood can promote behavior change that carry into adulthood. All of the CATCH games are non-elimination and are designed to keep all of the participants constantly moving during the 30 minutes of the activity.

Older's Program

The children in 4th and 5th grades require a voice in program design and a variation in activities in order to keep them involved and to support their developmental needs. The Kids' Korner programs offer children in these grades with a special club that supports their need for ownership, encourages leadership skills, and provides them with long term, hands on activities. Children meet with the club facilitator and plan special events, prepare equipment lists, and organize community service projects. Older children earn various privileges such as field trips, new supplies and equipment, and special events such as pizza parties, ice cream socials, and activities with other sites.

Field Trips

Fieldtrips are special events that everyone looks forward to. Children benefit from exposure to the change of environment and opportunity to explore the resources in the community. Field trips offer exciting hands on learning and recreational opportunities. Field trips are generally taken on half-day sessions. Site Directors select fieldtrips that are fun, educational and / or recreational. The YMCA covers the cost of the transportation and parents are expected to cover the cost of the entrance fee. The YMCA is sensitive to the ability of some parents not to pay high entrance fees. If a family is unable to pay the fee please speak with the site director in advance. Permission slips are provided in advance and it is expected that parents who do not want their children to attend will find alternative care arrangement for that day. ***We will not have staff available to remain at the site with children.*** To plan ahead please expect fieldtrips to occur during the school weeks of parent/teacher conferences. A fieldtrip is often schedule during these back-to-back half days.

Field Trip Procedure

All children will wear a nametag and will be assigned to a group leader. Attendance and head counts will be taken during regular intervals and children will be instructed about safety rules and procedures to follow if a child becomes separated from the group.

A child's ability to follow the rules and remain with the group is imperative to his/her safety and well-being and that of the entire group. Children with difficulty managing behavior will be assigned to program leadership. Children, however, who show repeated inability to follow the rules, will not be allowed to attend future fieldtrips. Parents will be expected to find alternative care on fieldtrip days or attend the fieldtrip with their child.

TRANSPORTATION

Bus transportation for field trips and in the case of an evacuation is provided by Dattco Bus Company.

Transportation for Cromwell Middle School Students to WIS and Gildersleeve / Intermediate School students to and from Valley View is provided by the respective Boards of Education for those towns. The YMCA program is a stop on the regularly scheduled bus route and we have no jurisdiction over the route, times, or bus company. The bus company can terminate a child from the bus for repeated misconduct. The Kids' Korner staff will bring the children to the bus in the morning and wait until the bus arrives, staff will also meet the bus in the afternoon. If a child has a problem or concern with the bus, Y staff will discuss the issue with a parent.

FOOD AND BEVERAGE

The YMCA participates in the Federal Child Nutrition Program. As participants, we are expected to follow strict guidelines when developing our menu to insure that the food we serve supports the nutritional needs of children. These requirements include serving milk or dairy substitute, 100% juice, and enriched flour products. The morning snack will include food and beverage representing three food groups and the afternoon snack will include food and beverage from two food groups.

Parent Participation in Food Program

Parents must complete a child nutrition form that is included in the registration packet. The YMCA must have a completed form on each child to remain in the child nutrition program. If a family is over income and not eligible for free or reduced lunch please write over income and sign the form. The YMCA is reimbursed for free, reduced, and over income breakfast and snacks. This additional funding helps us serve nutritional food.

Menus are posted for the month at the parent's area. Please ask the site director for a copy if you would like to post it at home.

Parent's who have special dietary request or a child with a food allergy should talk with the site director. Information provided to the staff is posted for staff to view. Children will be provided with an alternate snack when necessary. Children who require special food or beverage that we do not normally provide must bring the food from home.

Snack Procedure

AM and PM snack will be served to all children who want to eat. Children will wash their hands and help staff set the table. Snack will be served family style with children helping themselves to a portion of snack and a beverage. Children will be asked to maintain good table manners. Children can participate in snack while snack is out, once snack is over and supplies are put away there will not be food available. Water will always be available.

Staff will never take snack away as a consequence. Children, however, will be asked to leave snack if their behavior is inappropriate at the snack table.

Special Snacks and Cooking Projects

Parents can bring in a special snack to celebrate a birthday or holiday. Please ask the site director how many children attend. Children will also have special snacks at different times to celebrate a theme day or event. These may include ice cream parties, pizza parties, cake etc.

Children who participate in a cooking program will be given the opportunity to eat the food they prepare.

KIDS' KORNER STAFF

The YMCA hires staff based on experience, educational background, and a commitment to serving the diverse needs of school age children. Staff are interviewed and reference checks are conducted prior to hiring. All new staff have both State Police and FBI Criminal background checks completed. Upon hire, staff are given a thorough orientation and attend new staff training.

Kids' Korner Organizational Chart

Vice President, Youth & Family Programs	343-6217
School Age Director	343-6208
Program Coordinators	343-6211 & 343-6239
Site Directors	
Assistant Site Directors	
Senior Group Leaders	
Group Leaders	
Assistant Group Leaders	

* Child Care Fiscal Manager 343-6218

- The School Age Director is the administrator in charge of school age programs, vacation programs, summer enrichment programs, and the 21st Century Learning Centers.
- Program Coordinators provide supervision and support to assigned Kids' Korner Programs. These Y staff members visit the sites on a regular basis, perform safety checks, and complete written observations and an annual program evaluation. Parents will receive written notice that will include the name and number of the administrator in charge of the site your child attends.
- A Site Director serves as the onsite supervisor and is responsible for both administrative tasks, supervision of staff, and curriculum development.
- Assistant Site Directors are responsible for specific components of curriculum development and serve as the program supervisor in the absence of the site director.
- Senior group leaders and group leaders make up the remainder of the staff team. The staff team work together to supervise children and provide a wide variety of daily activity choices. The staff team meets monthly to discuss program issues, develop the monthly curriculum, and plan special events.

Professional Development

- Kids' Korner staff are provided with ongoing professional development opportunities.
- Training is held in August prior to the start of the school year
- Staff also attend monthly staff training events on topics such as behavior management, curriculum development, child abuse and neglect, and national school age quality standards.

- Staff who work at Camp Ingersoll receive an additional week of staff development in June.
- Site Directors and Assistance Site Directors attend professional development seminars throughout the school year sponsored by Connecticut School Age Alliance.
- New staff members attend a new staff orientation.
- Site Directors, Assistant Site Directors, and Senior Group Leaders are also trained in CPR and First Aid.

Children With Special Needs

Children with special needs are important members of our programs and the YMCA will take steps to assure that reasonable measures are taken to provide before or after care to children with special needs. Children with special needs may at times demand extra attention, special care, and ongoing communication with parents, school, and professionals. For some children, staff will need to consider environmental factors within the program that will inhibit the child from equal access to the daily activities. The Y will provide training, literature, and available resources to help staff meet the needs of the children in our care. Parents must consider, however, the child's needs prior to registering him/her for the program. The YMCA cannot provide one to one care. A child, who needs small group, highly structured environments, will most likely not successfully assimilate into the program. It is in the best interest of the child if a parent visits the program and speaks with the staff prior to registration.

Policy for Children with Special Needs in the Kids' Korner Program

1. A parent or guardian registering a special needs child must contact the Director of School Age Programs (343-6208) to discuss specific needs of the child and the available resources to support the needs of the child.
2. The Director and parent/ guardian will determine whether the program can meet the needs of the child with the available resources.
3. Parents will be asked to complete a special needs plan (Appendix B) that will be provided to the site director. Training opportunities will be scheduled if necessary and staff will have an opportunity to ask questions, and if possible, meet with school personnel.
4. All parties should review the plan after the first month and then again when changes or updates are necessary.
5. A conference with parents should be held at the end of the first month and when needed thereafter.

Special needs plans and information about a child's medical, educational, psychological, and emotional state are confidential.

RESOURCE AND REFERRAL

FAMILIES AND CHILDREN IN NEED OF SUPPORT

The YMCA Kids' Korner program has a contract with Middlesex Hospital Family Advocacy to provide support and referrals for families and children who need assistance with mental health issues, parenting support, respite, medical insurance and other needs that are negatively affecting the family. Referrals to Family Advocacy can be made once a site director has met with an administrator to discuss the concerns and needs of a family. Referrals can only be made if a parent signs a confidential release and allows the YMCA to make the referral and release the family information. Additional resources can be found by calling INFO-LINE at 211.

POSITIVE DISCIPLINE AND BEHAVIOR MANAGEMENT

The YMCA Kids' Korner Program promotes the belief that discipline provides children with the structure, support, encouragement, and problem-solving skills they need to make responsible decisions. Positive discipline is teaching children how to be productive members of society. In the Kids' Korner Program staff are trained to use redirection, problems solving, and logical and natural consequences to help children learn to make better choices and behave responsibly. Children are held to high standards of behavior and staff members are expected to be consistent and firm in their approach to behavior concerns.

KIDS' KORNER DISCIPLINE POLICY

1. Children will be treated with respect and dignity.
2. Children will assist staff in writing the rules for the program.
3. Program rules will be posted so both children and parents can see them.
4. Staff will review the rules as needed with the group and with individual children.

Behavioral Expectations

1. Children will treat others with respect and will not use inappropriate language, put downs, and other language to harm other children.
2. Children will not hit, punch, bite, kick, or physically harm other children or staff.
3. Children will follow program rules and the request of program staff.
4. Children will take good care of program equipment.
5. Children will participate in program activities and will not disrupt group activities.

The Kids' Korner Programs use a discipline strategy called 123 Magic developed By Dr. Thomas W. Phelan.

1*2*3 magic strategy

1. Children are given a verbal warning. A **1** is the first warning. Example " Scott that is a one, you need to stop running in the cafeteria".
2. Second offense is a **2**.
3. Children who continue to misbehave would get a **3**. A **3** would be a loss of privilege, a time away from other children, or another appropriate consequence.
4. Children are to be *counted* during a relatively short period of time (20 minutes) do not carry over **1**'s or **2**'s from one activity to another. Children will automatically earn a **2** for hands on behaviors, disrespect, and safety concerns. Children will automatically earn a **3** for fighting, swearing, and serious safety infractions.
5. Staff will discuss the incident with the child once the child is calm and staff can dedicate private time to the child. Staff will have the child go through the problem solving steps to determine how he/she can respond appropriately the next time the situation presents itself.

Parent Involvement and Communication

1. Staff will inform a parent when a child reaches level **3** more than once in the day.
2. Staff will inform a parent any time a child is involved in unsafe and/or hands on activity, the use of inappropriate and /or threatening language, and when situations appear to be escalating or becoming consistent.
3. Staff will speak with the parent about an incident or a behavior concern with the child present and will allow the child to share with the parent what happened. When possible the meeting should be held in a private area.

Behavioral Concerns

The site director will request a meeting with a parent as soon as he/she becomes concerned about a child's behavior. The staff and parent will work together to determine the best strategy for

supporting a child's behavioral needs. A decision will be made at this time to develop a behavioral contract or to address the concerns in an alternative manner.

Behavioral Contracts

The behavioral contract will address specific behavioral expectations, consequences, terms for suspension, and in rare cases termination. The behavioral contract must be signed by the staff, the child, and the parents.

Suspension Policy

Children will be issued a conduct report and will be suspended from Kids' Korner for the following reasons:

1. The child is a danger to him/herself, to other children, or to staff.
2. The child brings a weapon or threatens to bring a weapon to Kids' Korner.
3. The child purposely causes bodily harm to another child or staff member as a result of hitting, biting, choking, and other acts of aggression.
4. The child repeatedly breaks program rules such as leaving the program area, ignoring staff request, disrespecting staff and other children, using inappropriate language.

Suspensions are for 1 to 5 days depending on severity of behavior and number of conduct reports issued.

Strategies for Supporting Behaviorally Challenged Children

The following steps may be taken after consultation with parents to address concerns regarding behavioral issues.

1. Staff will meet to determine what environmental factors could be altered to prevent and redirect behavior. Resources and training will be made available if determined necessary.
2. Consultation with school personnel, Family Advocacy, and any other available resources, such as child's therapist.
3. Ongoing meetings with parents.
4. Documentation of all steps taken and relevant behavioral assessment in the program.
5. Determination if child will be terminated based on terms of behavioral contract or as a result of repeated conduct reports.

Dismissal of a Child

The YMCA will request the removal of a child from the Kids' Korner program when:

1. The child threatens the physical or emotional well being of other children or staff members
2. Threatens the overall quality of the program such as repeated misconduct, running from program grounds, demanding one to one attention and care.
3. The staff within the limits of the program cannot meet the needs of the child.
4. Repeated conduct reports for behaviors as stated above.
5. A parent refuses to follow Kids' Korner policies, threatens or harasses Kids' Korner staff or other children, repeatedly disrespects staff with inappropriate and intimidating language and/or actions.
6. If a special request for care is made that can not be met with available resources or is not consistent with the policy and program philosophy of the YMCA. (For example, Kids' Korner will not permit punishment of children during Kids' Korner Programs that is not consistent with our discipline plan. Children cannot be isolated from peers in our programs. Children cannot be forced to only attend to homework while in our care; they must be permitted equal access to the full range of program activity.)

7. When possible, a parent or guardian will be provided with a two week notice to find alternative care arrangements. The YMCA, however, reserves the right to terminate without notice when the safety of children or staff is threatened by the behavior of a child. A child will be suspended immediately if the child is considered dangerous and unmanageable, or if the child threatens another child or staff with a weapon.

Payment of Damages

Parents will be held responsible for paying for the replacement of, or repairs to, property that has been damaged by his/her child as a result of misconduct.

PARENT COMMUNICATION

Parents play a critical role in the success and quality of the Kids' Korner Program. Building open lines of communication and developing a clear understanding of what parents expect from the program and what the YMCA provides will foster a valuable partnership between parents and Kids' Korner staff. In an effort to build and support this partnership and create a climate of mutual respect and caring for the children and families in our programs we offer the following:

- A parent's handbook that provides families with information, as well as, the programs policies and procedures.
- Parents are always welcome visitors and can visit the program at any time. We often invite parents to share skills and talent, as well as, information about their cultural background, work experience and travels.
- Each site has a parent area that houses the sign in and out, displays important information, and distributes handouts.
- New Kids' Korner families are invited to an information session in August to learn about the programs. The site director provides an individual orientation if a family did not attend in August.
- Family events held at least three times a year at the site, as well as, events that service the entire Kids' Korner community.
- A Monthly newsletter that provides information on special events, highlights the monthly curriculum, and offers parents reminders of policy and procedure.
- A seasonal newsletter that shares information that pertains to all families' enrolled in Kids' Korner.
- A parent resource library that is available to staff and parents.

Parent Evaluations

In January of each year we distribute a parent survey. The survey covers every component of the Kids' Korner Program including staff, administration, curriculum, food, cost, and outcomes for children. The survey is summarized and the results help us understand what we are doing well, and what areas need continued improvement. We also use the results to identify whether we are meeting our goals defined in our United Way Outcome Measurements. It is very important that all parents take the time to complete this brief but useful tool.

Conferences and Parental Feedback

Parent's who would like to schedule a time to meet with the site director are welcome to do so at any time during the school year. The Site director will approach parents when a child is having difficulty adjusting to the program, is having peer relationship issues, or is not involved in activity. The Site Director will also share information with parents about how a child is doing in the homework club. *It is very important that parents speak with the Site Director as soon as they have a question or concern.*

Family Support Services

The YMCA works in partnership with the Middlesex Hospital Family Advocacy Program to provide resource and referral to families who are facing challenging issues and need additional support. The Family Advocacy Program offers a wide variety of support systems to families and can also serve to evaluate the situation and help a family find appropriate service in the community. Site Directors and Program Supervisors will meet with families and discuss available resources. Referrals will be made only after a family provides the YMCA with a signed release.

Confidentiality of Information

The YMCA respects the confidentiality of all family information and will only share information with written permission of the family. The YMCA will request a written release from parents when it is deemed necessary and useful to speak with another professional about the educational, behavior, medical, and/or emotional needs of a child. A written release will specify who the YMCA staff have permission to contact or be contacted by to discuss specific needs of a child and family. All information discussed and documented will be considered confidential and YMCA staff will not share nor discuss the information with any unauthorized person.

Ten Ways To Take An Active Role In The Program

1. Attend parent's night and support your child's sense of community.
2. Play a game of checkers, color at the art table, or read a book, before leaving and show your child how much you value time with them at the end of the day.
3. Share a special skill, just once is enough, and the memory will last a lifetime.
4. Donate Junk art supplies and teach your child how to recycle.
5. Volunteer for a community service project and teach your child the joy of helping others.
6. Come on a fieldtrip and let your child show you off.
7. Talk with staff about your child's day you will be surprised at what he/she learned in a day.
8. Share a recipe, a favorite snack, or a special game and help us celebrate your child.
9. Make a suggestion that will better help us serve your child and possibly other children.
10. Read the monthly newsletters so that you can talk with your child about what he/she does while they are at Kids' Korner. It will create many teachable moments!

Cultural Awareness

The Kids' Korner serves families from a diverse ethnic, religious, and racial population. We respect and appreciate the diversity of the children and families in our programs. Our goal is to teach acceptance and appreciation for differences through a variety of learning opportunities. These opportunities include a multicultural curriculum, a wide variety of books, music, and materials that reflect cultural differences, and activities that specifically promote discussion and understanding. The Kids' Korner Programs also promote a celebration of self and a celebration of community through specific themes, activities, and enrichment projects. Children at the start of the year do activities such as *all about me* books that highlight personal qualities, cultural traditions, and family life that they want to celebrate. Children will also have opportunities to talk about special things they do with their family, where their ancestors are from, and how they are alike and how they are different from one another. During this time we welcome family members to visit the program and share information about their cultural background.

Parent Complaint Procedure

When a parent has a concern regarding the care of their child the parent should address the concern immediately with the site director. The site director will do his/her best to discuss the issue in a private location. Please do not address the site director in an angry or confrontational manner in front of children. Most issues can be resolved quickly and often just require better communication. When an issue is not resolved or demands additional attention, please contact the program supervisor at the YMCA. The program supervisor will help facilitate discussion and will address any concerns regarding YMCA policy and procedure. The Senior Director should be notified if the program supervisor cannot help resolved the issue.

While most parental concerns are addressed quickly, it is possible that an issue deeply angers a parent. Please take care to calm down prior to addressing the Site Director or other Y staff with an issue that has caused you to become angry or irritated. It is never appropriate for a parent to yell, threaten, or harass a YMCA staff person, a child, or another parent. Such behavior can lead to termination from the program. YMCA staff has been instructed to call 911 if a parent presents dangerous or aggressive behavior towards staff, children, or parents.

PARENT/GUARDIAN RESPONSIBILITY

1. To pay the monthly tuition bill by the first day of each month.
2. To provide a two-week written notice of withdrawal and/or change of attendance schedule.
3. To notify program staff when your child will be absent from the program.
4. To sign your child in each am and sign out each pm respecting the program hours of 7am opening and 6pm closing.
5. To pay for any medical expenses including transportation as a result of emergency medical care.
6. To read the parent handbook, notices, newsletters and information posted in the parents area to remain informed.
7. To inform the staff of situations in the child's life that may contribute to changes in behavior or special needs.
8. To meet with and address any concerns program staff may have with your child's behavior, safety, and participation.
9. To pay for damages your child may incur to YMCA and school property, equipment, or another participants belongings if the damage is the result of inappropriate behavior.
10. To treat YMCA staff in a respectful and cordial manner.

YMCA RESPONSIBILITY

1. To provide timely and accurate billing as well as tax information when requested.
2. To inform parents in writing, in advance, of any changes in policy and procedure, special events, and field trips.
3. To inform parents of any changes or concerns with behavior, participation, socialization, or accidents and incidents involving your child. To involve parents in the development and implementation of any special plan or behavior contract when deemed necessary.
4. To use available resources to involve each child regardless of special needs in the full range of activity.
5. To provide each child with a safe and enriching experience that fosters optimal growth and development.
6. To provide positive discipline that encourages respectful communication, age appropriate independence and the development of self-discipline.
7. To provide well-trained and caring staff who serve as positive role models for you child.
8. To build positive relationships with families by maintaining open communication, respect for differences, confidentiality and linkages to community resources.

9. To provide families with information on community resources.

PROGRAM POLICIES

Attendance Policy

Parents must contact the site by 3pm if a child will be absent from Kids' Korner. Written notice of absences are very helpful. Please do not send notes to the classroom teacher expecting the note to be passed on to Kids' Korner. This often does not occur, and Y staff cannot always locate the teacher to ascertain the child's whereabouts. It is imperative that parents contact the Y staff to share information about absences. Locating missing children each afternoon can be very time consuming when parents do not follow this policy. Parents will be fined \$5.00 for repeated violations of this rule and can be terminated from enrollment.

The following procedure is used to located children who have not arrived at Kids' Korner after school:

1. The YMCA staff checks with the answering machine, school office, YMCA to see if any message has been left or is the child was absent from school.
2. If the staff person cannot determine from this search if the child is accounted for he/she will contact the parent/parents at home and work.
3. If a parent cannot be reached the staff person will make an effort to reach the emergency contact people.
4. If the staff cannot reach an adult who can verify the whereabouts of the child, the police are called and will go to the child's home and search for the child.

Schedules and Enrollment Changes

1. Change of enrollment forms (Appendix C) are available at the site and have been mailed to each household. Change forms can be mailed, faxed, or left with the site director at the site. While helpful, a change form is not required. Parents can also write the information and send it, fax it, or email it to the YMCA.
2. Changes in enrollment must be provided in writing two weeks in advance. Parents are responsible for paying the full fee until the change or enrollment goes into effect two weeks after written notice if received. Parents who take children out of the program and do not provide written notice are responsible for full payment until two weeks following the receipt of written notice of withdrawal.
3. Parents wanting to add days can do so if space is available. A change form or written notice if necessary to change or add days.
4. A parent who wants to temporarily withdraw a child or drop certain days will be required to pay for the slot if they want to guarantee the availability of the slot in the future. The Y will not hold slots.
5. Refunds or credits will not be given for days missed. This includes pre-registered vacation day programs.
6. Registration is not accepted for enrollment on half days and for the snow day program unless the child is a current participant in Kids' Korner.
7. Children who are not scheduled on the day of a half-day must sign-up with the site director in advance. Availability will be based on current enrollment. If opening are available they will be given on a first come and first serve basis.

Sign In and Out Procedure

All children must be signed in during the morning program and signed out from the afternoon program. The YMCA will not permit any person to sign out a child who is not on the approved pick up list.

Anyone who is signing out a child (including parents and guardians) must have ID available and must be at least sixteen years of age. A sign in/out book is located in the parent area at each site.

Emergency Contacts and Pick-Up People

1. Emergency and pick up people are located in the registration information for each child. Each child must have at least three non-parental emergency contact numbers listed.
2. Any person picking up a child must show identification. If a person other than a parent or guardian comes to pick up a child, and is not listed on the pick-up list, the person will not be allowed to sign the child out of the program. This includes relatives and stepparents. Non-custodial parents that are not listed on the registration information as either mother or father must be listed as a pick-up person if they will be removing the child from the program.
3. Pick-up people can be added or removed at anytime during the school year. All changes must be made in advance in writing.
4. In the case of an emergency a parent or guardian can call the site to give verbal permission for an adult not listed on the emergency list to pick up a child. When this occurs the following will be done:
 - a. **A site director or assistant site director will take the phone call.**
 - b. **The name and description of the person including the relationship to the child will be ascertained.**
 - c. **The parent/guardian will be asked questions regarding their address, work phone, and emergency contacts listed in the file.**
 - d. **Staff will then call the parent / guardian back to verify that they made the phone call.**
 - e. **Upon arrival the child will be asked to verify that they know the person and the person will be asked to show identification.**
 - f. **The person's name and date of pick up will be placed in the file for further reference.**
5. The emergency list and pick-up list are considered to be the same unless parents indicate differently. **Emergency numbers are called when:**
 - During a medical emergency if a parent cannot be reached.
 - If a child is sick and needs to be picked up and a parent cannot be reached.
 - If a child does not arrive at Kids' Korner after school and a parent cannot be reached.
 - If a parent does not arrive by 6:15pm and has not contacted the site.
6. Kids' Korner staff cannot be on the pick up list for any Kids' Korner child unless the child is a relative.

Alternate Custody Arrangements

It is imperative that the children in our programs are being picked up by authorized adults. If there are any changes in custody or visitation regarding your child, please speak with the site director. Our policy regarding alternate custody arrangements is as follows:

- Both parents have the right to pick up their child from the program unless legal documentation is provided that states otherwise. It is the responsibility of the parent to provide the YMCA with legal documentation regarding the issue. When changes occur afterward, the parent must inform the site director and provide updated legal documentation.

- Parents who share joint custody of their child are authorized to add adults or remove adults from their child's pick up list. They are not allowed to remove adults added by the other parent.
- The YMCA reserves the right not to engage in disputes between parents.
- Tuition is due in full each month. If parents are splitting the childcare bill, all policies regarding payment must be followed by both parents or program participation can/will be terminated.

Late Pick-Ups

Please be prompt picking up your children. Many of our Kids' Korner staff have class in the evening and second jobs. It is imperative that they are able to leave at 6pm each evening. If, however, an emergency arises and a child is not picked up at 6:00pm at least two staff will remain with the child. The staff will begin calling the emergency contact numbers if at 6:15pm they have not heard from and have not reached a parent. Upon reaching an emergency contact person they will be asked to come and pick up the child. If this happens a note will be placed on the door, a message, if possible, will be left at home, and a message will be left with staff at the front desk of the YMCA.

Late Pick-Ups Continued

If by 6:30pm an emergency contact person cannot be reached or cannot come and pick up the child, and the staff have not heard from a parent, the police will be notified as will the Department of Children and Families. YMCA staff will remain with the child until a parent is located or alternative arrangements are made.

Parents will be charged a fee for late pick-ups. Families will be terminated from the Kids' Korner Programs for repeated late pick-ups.

The Fee Is:

Pick Up Time	1st Late Pick-up	2nd Late Pick-up	3rd Late Pick-up
6:00-6:10pm	\$5.00 per child	\$10.00 per child	\$15.00 per child
6:10-6:30pm	\$10.00 per child	\$15.00 per child	\$20.00 per child
6:30-7:00pm	\$20.00 per child	\$25.00 per child	\$30.00 per child

Please note: A family will face termination from the program after the third late pick-up.

Child Care

The YMCA strongly discourages any Y staff from providing additional childcare to families associated with the Kids' Korner Program. The YMCA does not endorse any staff person who engages in work with children and families outside of the YMCA.

Alcohol Policy

State of Connecticut Law prohibits childcare personnel from releasing a child to an adult who is under the influence of alcohol, drugs, and controlled substances. If a person arrives at the site and staff are concerned that the person is impaired, smells of alcohol and/or is acting in an unsafe manner, the staff person will request that another adult come to take the child home. If another adult is not available a taxi will be called. YMCA staff members will contact police if a person suspected of being under the influence or behaving in an unsafe or threatening manner removes children from our programs. As mandated reporters, childcare staff is required by law to report any suspected cases of abuse or neglect. If a parent or guardian is arriving under the influence and is placing their child at risk, a report to the Department of Children and Families will be made.

Reporting Child Abuse and Neglect

Connecticut Law identifies all childcare staff as mandated reporters and requires under penalty of law, suspected abuse and neglect to be reported to the Department of Children and Families (DCF). All YMCA Kids' Korner staff receives training in recognizing and reporting signs of abuse and neglect. Under current law, the staff person who suspects abuse or neglect is occurring is responsible for making the report to DCF. All reports made to DCF will be kept confidential.

HEALTH AND SAFETY

The YMCA has a health consultant that reviews our health and safety policies and answers questions regarding childhood illness, prevention, and communicable diseases.

HEALTH POLICIES

The Kids' Korner Programs continuously monitor health and safety standards. In order to prevent illness of teachers and children, we engage in the following recommended childcare hygiene practices:

- Children are taught and assisted with proper hand washing techniques.
- Children and staff wash their hands after toileting, nose blowing and before eating and serving snacks.
- Tables are sprayed with sanitizing solution before and after eating snacks.
- Toilets and sinks are disinfected daily.
- Antibacterial soap is provided for hand washing.
- Universal precautions are used when handling any bodily fluids.

Illness / Exclusion Policy

When a child becomes ill while at the center he/she will be provided with a comfortable, private space to rest. Should the child become too ill to participate in center activities the parents will be called to pick the child up within one hour. If the parent cannot be reached emergency contacts will be called to pick up the child.

Children should be excluded from childcare if they exhibit one or more of the following symptoms:

- Fever greater than 100 degrees or has had one during the previous 24 hours
- Undiagnosed rash
- Vomiting
- Diarrhea
- Serious pain
- Green or yellow discharge from eyes
- Severe nasal congestion and a cough that interferes with daily activities
- Other obvious signs of communicable illness such as head lice, chicken pox, conjunctivitis (pink eye) etc.

Administration of Medication

All medication administered by staff must be accompanied by:

1. A completed Administration of Medication form (Appendix D) signed by a physician and parent. Forms can be obtained from any staff member.
2. Medication must be delivered to a staff member in the original child resistant container labeled with the child's name, the name of medication and directions for the administration of the medication. YMCA staff cannot be responsible for picking up or delivering medication to or from the school or vacation day programs.
3. Non-prescription medications such as sunscreen and other ointments must be accompanied by written permission forms in order to be applied by staff.
4. Staff cannot administer the first dose of any medication.

All unused medication shall be returned to the parent or guardian or destroyed if not picked up within one week following termination of the order. After this time staff will dispose of medication by flushing into a toilet in the presence of at least one witness.

- Please note that staff must receive special training for the administration of medication. The YMCA cannot guarantee that medication can be given during program hours. Parents must inquire about the administration of medication prior to sending in medication.

Outdoor Policy

Taking children outdoors is a healthy, integral part of our daily schedule and curriculum. Children benefit from active outdoor play to release energy and develop large muscle coordination. Children will participate in routine outdoor play unless the conditions are considered hazardous such as excessive ice or extremely cold conditions or hot. When the temperature drops below 32 degrees and the conditions are not extreme, outdoor activity will be limited to 20 minutes. When the temperature drops below 20 degrees there will be no outdoor play. As a general rule, children that are too ill to participate in outdoor activity are too ill to be at Kids' Korner.

Children's Health Records

All children are required to have a current physical form on file. All immunizations and physicals must be kept up to date. Children who do not have current physicals on file or up to date immunizations will be excluded from the childcare center after 30 days from the date of expiration and will not be able to return until the center has the appropriate documentation. Kids' Korner Programs request copies of physicals from the school nurse. Parents however, may be asked to provide a copy if the school cannot comply with our request. Parents whose children attend our Woodside Intermediate and Edna C. Stevens programs must provide a copy of their child's immunization and physical record within one week of their child's start date in the program. Please provide a copy of any updated physicals to the site director.

Health Insurance

All children enrolled in the Kids' Korner Program should have current health insurance. Please speak with the Director if your child does not have health insurance, is at risk of losing their health insurance, or needs assistance in locating a health service provider. The Director would be happy to provide you with HUSKY information and assist your family with finding the appropriate health care for your family.

The YMCA does not cover the cost of medical care provided to children as a result of injury sustained at Kids' Korner or for medical care needed to address ongoing medical needs during the hours of enrollment in the program. The responsibility for such care will reside with the child's personal insurance and parents or guardians.

Special Care Policy

The YMCA does not have medical personnel employed in the Kids' Korner Program. Specific health concerns, conditions, special diets or allergies must be recorded in the child's health history upon enrollment and brought to the attention of the Director prior to enrollment.

Confidentiality of Children's Files

All of the information in children's files shall be considered privileged and confidential. This information will be accessible only to appropriate staff, personnel from the State Of Connecticut Licensing Unit, and the nurse consultant.

KIDS' KORNER REGISTRATION

MEMBERSHIP REQUIREMENTS

All participants in the YMCA Kids' Korner program must be Northern Middlesex YMCA Members. Several types of memberships are available. For specific information about membership, contact the YMCA at 347-6907.

- ❖ Individual Program Membership is available for \$65.00 per calendar year.
 - ❖ Family Program Membership is available for \$90.00 per calendar year.
 - ❖ Kids' Korner families can also choose a monthly fee of \$6.50 a month for an individual program membership or \$9.00 a month for a family program membership. The membership will be valid on a month-to-month basis. Once a child leaves the program the membership becomes invalid.
 - ❖ There is a \$10.00 **one time** enrollment fee for new members.
- Program Memberships entitle members to participate in YMCA programs and use of the facility with payment of a usage fee.

Full Facility Individual and/or Family Membership are available on the monthly draft plan. This membership category provides unlimited use of the YMCA facilities without a daily usage fee and with reduced rates for classes.

Security Deposit

A security deposit equal to two week's tuition is required at the time of registration, as well as, proof of membership. The security deposit is applied towards your child's final two weeks in the program. A credit or refund of the security deposit will occur when a written notice of withdrawal is received at least two weeks in advance and tuition has been paid in full. When account balances are in arrears, the security deposit will be credited towards the outstanding balance.

Financial Aid – Open Doors Program

The YMCA is committed to providing Open Door Assistance to eligible families. Our funding, however, is limited. The YMCA adheres to strict guidelines to assure that those families that are most in need receive support and that our limited funding reaches as many eligible families as possible.

Kids' Korner Financial Assistance Policy

1. Financial Assistance will be granted to families on a first come, and first serve basis.
2. The YMCA will begin to limit assistance once available funds have been allocated.
3. Families who do not need child care services; will be given a temporary award of assistance if funds are available at the time of registration. This award of assistance will be determined month to month based on the availability of funds.
4. All families eligible for Care4Kids must apply or risk the loss of Open Doors Assistance.

Once 75% of the Financial Assistance Funds have been Allocated, Eligibility will be prioritized as follows:

1. Families who have maintained a Care4Kids child care certificate.
2. Families who have child care needs because all adults in the household are working during the hours that care is provided.
3. Families who meet the income guidelines and have extenuating circumstances.
4. Families with more than one child enrolled in childcare.

Funding Limits:

1. Families will be enrolled for the school year on a first come, first serve basis.

2. Families who leave the program during the school year will be re-enrolled in the assistance program if funds are available.
3. Families who are removed from the Care4Kids program will receive additional financial assistance if funds are available.
4. Assistance for the vacation programs will be given on a first come, first serve basis and will be limited. Families must be enrolled in the Kids' Korner Program and have a childcare account in good standing to be eligible for assistance for a vacation program.
5. Families whose income eligibility changes during the school year will only be eligible for additional assistance if funding is available.
6. Changes in assistance level will begin once a completed and approved application is submitted. The YMCA reserves the right to change the level of assistance and request a new application at any time if funding becomes limited or a family's eligibility changes.

Financial assistance is available on a first come first serve basis for families with a gross income of less than \$44,999.00. Contact our Kids' Korner Financial Aid department to apply at 343-6218. *Families receiving Care4Kids' assistance from the State are welcomed.* Our financial assistance money comes from the United Way, Care4Kids', Annual Giving, and the YMCA.

Sibling Discount

The YMCA offers a sibling discount. Sibling discounts cannot be used for siblings living in separate households in which the child care bill is paid for by separate parties. A sibling discount is not available to families receiving care4kids unless their portion of the child care bill exceeds their approved parent share as indicated on the care4kids certificate.

BILLING INFORMATION

- Tuition bills are distributed through your child's mailbox at the site by the 15th of the month.
- Monthly tuition is due by the 1st of each month.
- The monthly tuition cost is your daily fee multiplied by the number of days your child is registered for that month. Kids' Korner follows the school calendar.
- A second notice will be sent for payments not received as of the 10th of the month. There will be a 10% late fee applied to the bill.
- Tuition must be paid in full each month. A notice of termination will be sent on the 24th of the month if tuition has not been paid in full. Tuition 30 days in arrears will result in suspension from the program. Enrollment will be suspended as of the first of the month for all delinquent accounts.
- Half days (1:25-3:25pm) are covered for afternoon children at an additional cost of \$4.00each. This fee will not be waved if a child registered for that day does not attend. An additional fee of \$4.00 is charged on inclement weather delayed openings and early closing days.
- There are no credits for child absences or vacations.
- Late pick up fees will be added when appropriate.
- **Credits for inclement weather or emergency school closings will be issued on your June bill.**
- To withdraw or change enrollment:
 - A two-week written notice is needed.
 - A change of enrollment form needs to be completed.
- The security deposit, which you paid with your child's registration, will be credited on your last month's bill.
- Payments can be made at;
 - 1- The site by check. Cash payments will not be accepted.
 - 2- The Northern Middlesex YMCA's Front Desk. Please save your receipt.
 - 3- Through the mail.
 - 4- Through a credit card monthly draft. Completed on or near the first of each month. *A receipt will be sent to you shortly after this has been done.* Please contact the Kids' Korner billing department if interested in this payment option.
- Make checks payable to Kids' Korner or YMCA, and mail to:

Northern Middlesex YMCA,
99 Union Street,
Middletown, CT 06457

If you have any billing questions please call me @343-6218, Child Care Fiscal Manager.

Appendix A
**Northern Middlesex YMCA Kids' Korner Before and After School Programs
Homework Policy**

The YMCA Kids' Korner is committed to providing young people with a wide variety of experiences that support their social, emotional, physical, and intellectual growth. One of our program components is homework support. All of the YMCA after school programs will provide a **half hour** of homework support Monday – Thursday. During this time children will have the choice of working on their homework, reading, or engaging in a variety of learning activities. It is important that staff, parent, and participants understand the following expectations of the homework support program:

The half hour THINK TANK time will be a quiet time to relax and work on homework. Children who do not have homework will have other quiet choices such as reading, math games, scrabble, cards and activities that encourage critical thinking.

Children who have additional homework at the end of the half hour can work on it individually during activity time or will need to complete it at home.

YMCA staff will monitor and guide children as they complete their homework but will not tutor or work one to one with children. Children who have assignments that require one to one will need to complete these at home.

YMCA staff will encourage children and offer strategies, ask questions to guide their thinking etc. If a child can not complete the homework because he or she does not yet have the ability to complete the work the staff will indicate this on a homework documentation sheet that will be stapled to the homework folder.

YMCA staff will not correct homework but will do their best to indicate to children when answers are incorrect and ask them to edit and review their work. Parents should check all homework to understand what is being asked of your child and to gain insight into how your child is progressing academically.

I understand the YMCA homework policy. I give permission for YMCA staff to speak with school personnel regarding my child's homework and academic needs.
